

Department of Environmental and Plant Biology Course Offerings

Department of Environmental and Plant Biology
Ohio University, Athens

Tentative Undergraduate Course Offerings 2002-2003
Updated 4/5/02

FALL	WINTER	SPRING
100 The World of Plants	101 (BIOL) Principles of Biol	100 The World of Plants
100L The World of Plants	103 Plants and People	100L The World of Plants
101 (BIOL) Principles of Biol	110 Intro to Plant Biology	101 (BIOL) Principles of Biol
103 Plants and People	111 Intro to Plant Biology	103 Plants and People
110 Intro to Plant Biology	247 Vegetation of N. America	109 Forest Ecology, Conservation & Policy
248 Trees and Shrubs	298T Plant Biol Tutorial	111 Intro to Plant Biology
297T Plant Biol Tutorial	331 Plant Genetics	299T Plant Biol Tutorial
308 Morphology Vascular Plant	398T Plant Biol Tutorial	307 Algae and Bryophytes
310 Biology of Fungi	404 Undergrad Research	309 Plant Systematics
397T Plant Biol Tutorial	415 Quant Methods in P BIO	399T Plant Biol Tutorial
404 Undergrad Research	424 Plant Physiology	418 Writing in the Plant Sciences
425 Plant Ecology	XXX Plant Population Ecology	426 Physiol. Plant Ecology
431 Cell Biology	460 Paleobotany	427 Molecular Genetics
450 Biotechnology	480 Molecular Systematics	453 Developmental Physiology
497T Plant Biol Tutorial	498T Plant Biol Tutorial	499T Plant Biol Tutorial
